B Sign up your friends and family on services

Help, Favor, Try and tell them your "Why." (They will try based on relationship; they will stay based on savings.)

C Convert each "No" to the business into a "Yes" for service

If they aren't interested in the business opportunity, ask them to be your customer.

Check off a box for each customer point acquired.

10 20

2 Expose 10 People Immediately!

Use a Private Business Reception (PBR) for the best results.

We suggest you schedule your first PBR within 7–10 days.

Approaches

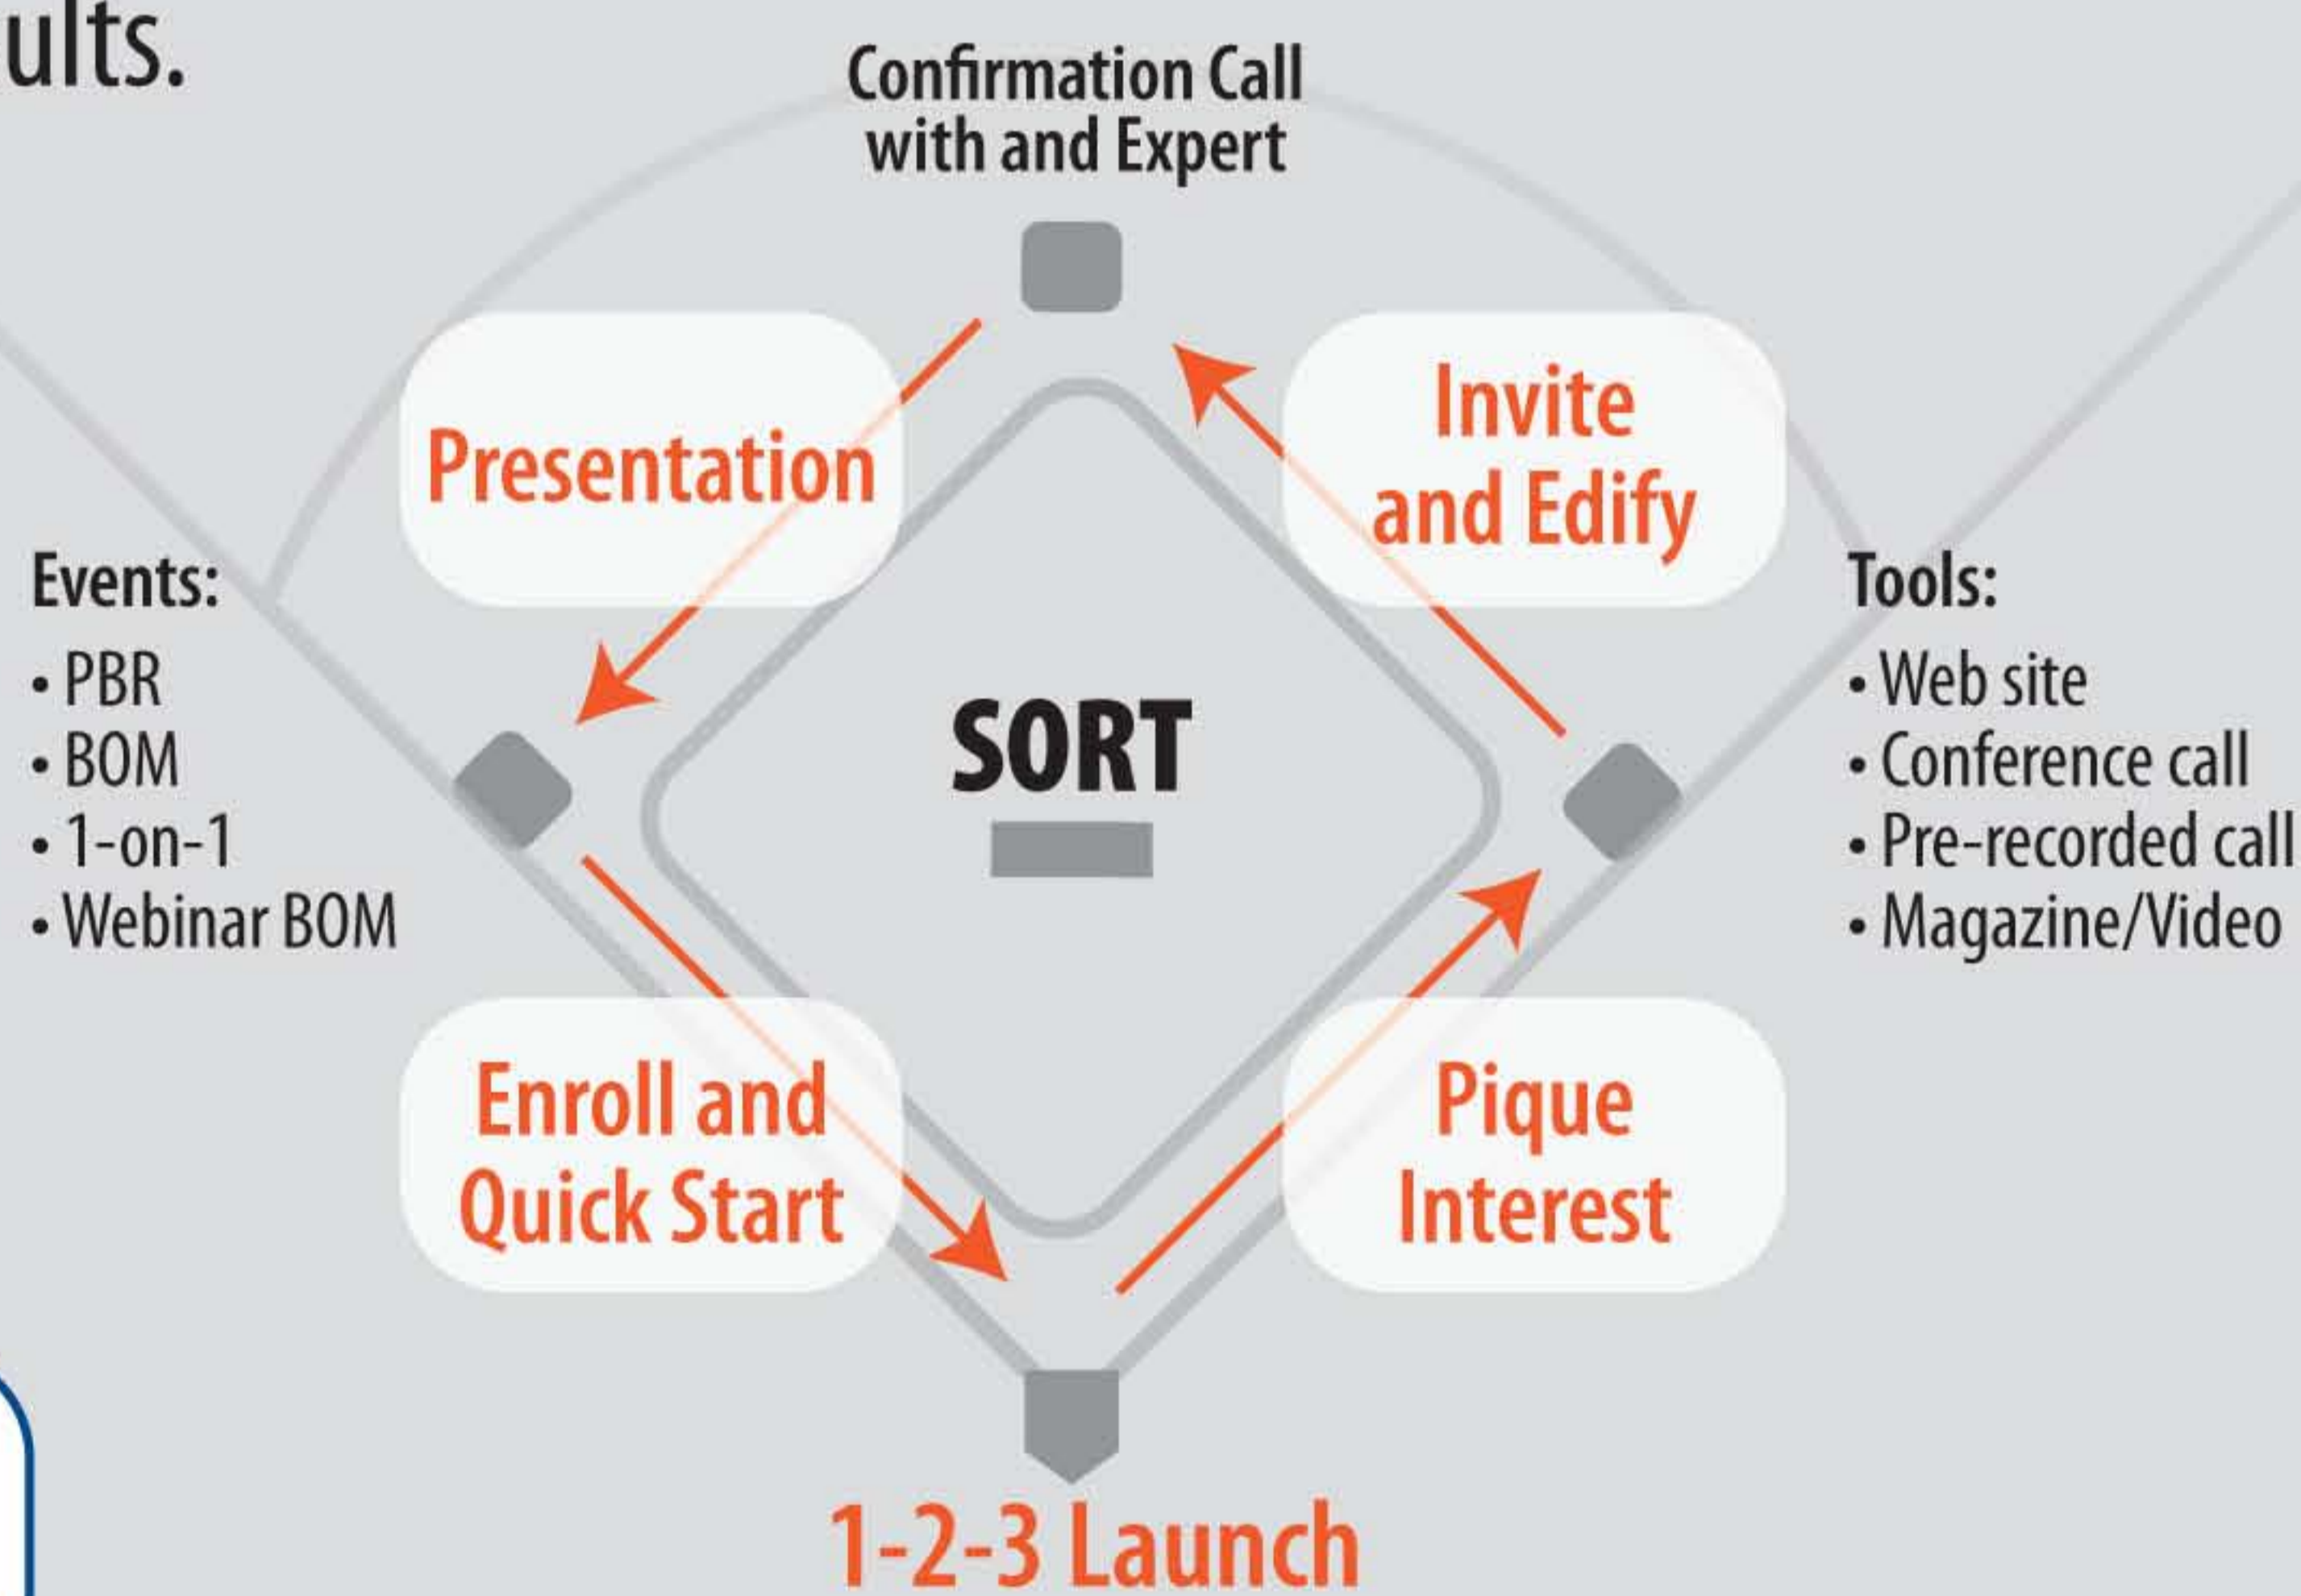

- a) I just took a look at an opportunity and as soon as I saw it, I thought of you!
- b) I found a way to make some real money and it's something I want you to take a look at!

What Is It?

It has to do with getting paid monthly on telecom and energy bills. (Pique call: 585-420-4582)

Edification

The people I work with are some of the best in the business. They are very successful and you need to meet them!

Check off a box for each exposure.
